

El Paso County AMATEUR RADIO VOLUNTEER MAP

There are thousands of amateur radio operators in El Paso County. Many are in YOUR neighborhood! The individuals indicated on this map have provided their contact information voluntarily so that other radio operators may contact them more easily in case of a disaster or failure of telephone services.

This voluntary listing is for the purpose of promoting alternatives for neighborhood communications.

In an emergency call 911 first!

Be included in the interactive map of neighborhood resources for your community.

Please provide your call sign and either your zip code or lat/long coordinates to be included in the map. Return the signed form to El Paso County OEM 3755 Mark Dabling Blvd. Colorado Springs 80907 or cert@elpasoco.com

I hereby allow El Paso County to include my radio call sign and the information provided below in the public, interactive neighborhood resource map.
